Are You Ready for The Future of Internet Connectivity?

Join Us for a Lively and Informative Panel Discussion

Dr. Alicia Abella

Hear about the *Internet of Things* from our distinguished panel:

Dr. Alicia Abella, AVP: *Cloud Technologies and Services Research, AT&T*

Tim Connors: *Internet of Things Product Director, AT&T*

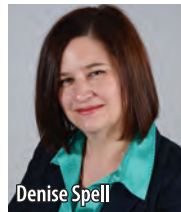

Denise Spell: *CEO and Chief Innovator of Currant, Inc. Co-Founder of Luftronix*

Martina Decker: *Assistant Professor, College of Architecture and Design, NJIT*

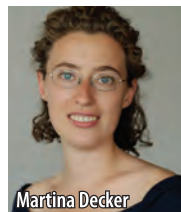

Tim Connors

They will take you on a journey into the future of internet connectivity... with real life examples about how intelligent, connected devices are radically reshaping companies and competition. Whether it's smart thermostats for your home, wearables like Fitbit® or the car you drive; this new technology will transform businesses, redefine industries and open up tremendous opportunities for the savvy entrepreneur.
